

NEED HOSPITALITY STAFF?

WE RECRUIT. WE TRAIN.
YOU HIRE

Finding good hospitality staff takes time.
Ads. Applications. Screening. Interviews. No-shows.

Arrow Talent Hub takes care of the legwork. We source and screen candidates based on what your venue needs, then provide key hospitality training before you meet them.

You choose who you want to hire.

We've been training people for hospitality for years, so we know the industry, we know the roles and we know what employers actually need when a new staff member walks through the door.

Now we've brought recruitment + training together in one simple service.

GOOD PEOPLE. TRAINED. READY FOR HOSPITALITY.

Every successful candidate comes with:
